

Carrone "Roni" Kawehilani Matsue Hirai

February 19, 1994 - March 3, 2019

Carrone "Roni" Kawehilani Matsue Hirai was born on February 19, 1994 in Honolulu, Hawaii. Carrone, beloved daughter and sister, walked peacefully into the loving arms of her Heavenly Father, her Lord and Savior, Jesus Christ, on Sunday, March 3, 2019, at the age of 25.

Carrone is survived by her parents Hiram and Christine Hirai; Sister Remy; Brother Jeremy(Charice); Nieces Chauncie and Chloe; Nephew Jeremy Jr.; Grandparents: Ronald (Momi) Sugai, Ellen Nagatori; Uncle Sean (Jamie) Sugai; Auntyn Jacquelyn Gomes; Cousins Reyn and Randyn Sugai, Tory Gomes and Mikayla Jamile; Numerous aunties, uncles, cousins, and friends from all walks of life. She is also survived by 3 furry nieces Piper, Maia, and Roxy and predeceased Grandfather, Francis Shigemi Hirai.

Carrone attended Kamehameha Schools, Kaimuki High School, and in 2012, graduated from Kailua High School. She went on to attend the University of Nevada Las Vegas, pursuing a degree in Nursing.

"Roni", as many knew her, was blessed with amazing talent. From the age of three, she set out to prove just that. She excelled as a top notch swimmer with the Kamehameha Swim Club, bringing home many medals and trophies and even held several titles. She was an amazing hula and tahitian dancer with Iwalani School of Dance and performed on stage at many venues, including The Aloha Tower. She had unbelievable flexibility as she enjoyed her time as a gymnast as well. She enjoyed cooking, reading, going to the beach, and just hanging out with friends. There wasn't anything she couldn't do and everything she did, she did well, whole-heartedly.

Carrone will always be a shining star, she was free-spirited and unafraid to be who she was. She was beautiful, strong, caring, smart, and loving. She braved through life's trials and tribulations, life's highs and lows, with great courage and strength. Her beautiful smile, her distinct laugh, and her amazing sense of humor could always brighten the darkest of days. She had a huge, caring heart and accepted everyone into her life with no

judgement. She always tried to help others and help people find their way. She loved with great understanding that we are who we are and that no one is perfect but that everyone deserved to be loved. Carrone left a memory with everyone she met and with everyone who knew her. She touched many lives during her short stay on this earth. She traveled far and wide and saw the world through her own eyes.

Carrone has been called home to be with her Creator, her Father in Heaven. She is free, she is happy, living her eternal life with Jesus. She will be missed here on this temporary Earth, but will be remembered and loved always. She will forever be our guardian angel.....'til we meet again at The Pearly Gates.

“ I met Carrone through our mutual friend Keana, and though we only got to hang out in person here and there due to differing schedules, I knew that any time she would be there it would brighten things up. I've met many people in my time on Earth, and from when I met her I gained an amazing respect for how real a person she was, how much she cared for her friends and would go out of her way for them, and how she was unapologetically herself. I met Carrone as a friend of a friend, an outside, but she welcomed me into her social circle without a second thought and with nothing but aloha.

She was truly a one of a kind person and will be missed and admired not just by me, but by countless friends who I know felt the same.

I'm sadly not in Hawai'i for her celebration of life, but I want to wish her family and loved ones my sincerest condolences, and to thank them for letting her touch the lives of all of us who met her.
